

## HOWARD NULTY

### Education

Howard was educated at Prescot Grammar School and University College Cardiff. He has studied with Staffs University and The OU. He attended the College of Law at Chester He is a member of APIL and a mediator trained by the London School of Mediation.

### Legal Experience

Howard worked at some level in every area of the law including family and crime, conveyancing and wills and probate, although for the last twenty years he has specialised in high value personal injury cases and professional and clinical negligence. He has a great interest in solicitors' negligence and surgical errors. He qualified as a solicitor in 1981.

### Mediation Experience

Howard trained as a mediator with Jonathan Dingle at LSM. It was a great experience. Since then he has qualified as a Family Mediator and gained experience in mediating commercial, family, civil, probate and personal injury cases. He has also mediated in relation to professional negligence involving solicitors. He is experienced in dealing with boundary disputes and consumer issues. Howard has recently mediated in landlord and tenant matters and debt cases. He has a particular interest in sports mediation, and has a UEFA Coaching award and also an FA Refereeing qualification. He is an experienced cricketer and has a vast knowledge of sports administration.

He has mediated commercial disputes between individuals and public and private companies assisting a swift and proportionate resolution in most cases.

He is interested in mediation relating to wills and inheritance claims.

Howard is also a Director of a Building Company and has a good working knowledge of Construction issues.

### Interests

Howard is a trained UEFA B Licence Football Coach and also a Referee. He has extensive first-hand knowledge of the Professional Football world. His other interests include geology and environmental sciences (BSc from OU). He plays cricket and enjoys raising money for good causes.
